VIJAY ADS

TRICYCLE ADVERTISING

VIJAY ADS

Tricycle advertising is designed in such a manner that they offer the ease to the users. For Tricycle advertising, we have made the use of optimum quality materials. Tricycle advertising is economically viable. Tricycle branding have almost endless potential for advertising, carrying, and delivering business potential to anywhere they can roll. Tricycle advertising is usually displayed ads in digital formats.

VIJAY ADS

LOOK WALKER ADVERTISING

Look walker Activity is economically viable. Look walker Activity almost endless potential for advertising, carrying, and delivering business potential to anywhere they can roll. Lookwalker Activity is usually displayed ads in digital formats

VIJAY ADS

AUTO ADVERTISING

Auto Ads is the best advertising medium in Hyderabad. Autos can travel to colonies and narrow lanes where cabs and buses don't ply. This is one of the reason auto advertising is preferred by local shops, restaurants, events etc as well as brands who want to advertise in residential areas.

VIJAY ADS

BUS ADVERTISING

Bus Advertising refers to advertising on the outside as of public transport buses. Buses form the backbone of any city, connecting every corner. The biggest advantage of bus advertising is that buses run on fixed routes. Hence, hyper-local targeting becomes easy with bus advertising.
